### KERALA COOPERATIVE AUDIT MANUAL IS REVISED AFTER 37 YEARS

The Kerala Cooperative Audit Manual, published in 1983, has now been revised incorporating the vast changes taken place in the sector after 37 years. Sub section 5A of section 63 of the Kerala Cooperative Societies' Act stated that "It shall be the duty of the Director of Cooperative Audit in consultation with the Registrar to revise, amend or update audit manual in every five years, as may be prescribed". This sub section was inserted in 2013 in the act in order to ensure the progressive modification of the Audit Manual in consonance with the practical requirements. Cooperative sector in Kerala has undergone immense changes with respect to the size as well as volume. The structural changes in the short term agricultural credit sector have influenced the revision of Audit Manual in a big way. The Manual has been thoroughly revised and designed in three parts.

A seven member working group led by Sri Jose Phillip, Additional Registrar of Cooperative Societies, Retd., has made the revision a reality. Shri R K Menon, Director, Institute of Cooperative Management, Thiruvananthapuram, Sri Anil Kumar Parameswaran and Shri M.S Mukundan Nair, Chartered Accountant, and Shri Udayabhanu Kandeth, Retired Senior Audit officer, AG's office were the members of the working group. Smt Anjana. S, Joint Director of Cooperative Audit served as the convener of the working group. Director of Cooperative Audit has scheduled training programmes for the Auditors of the department based on the revised Audit manual.

The uniqueness as well as the magnitude of the cooperative sector in Kerala is reflected in the revised manual. Minister for Cooperation, Shri Kadakampally Surendran, has released the new audit manual and said that the audit of different types of cooperatives will be conducted in accordance with the guidelines of the revised audit manual with effect from 1<sup>st</sup> April 2021.
